*Allowance*

1. Claims 1-14 are allowed.

2. The following is an examiners statement of reasons for allowance:

The prior art references most closely resembling the Applicant's claimed invention was, Mao et al (U.S. 6,459,427) and Komi et al (U.S. 6,477,185).

Board of Appeal and Interferences decided in the favor of the appellants. According to Boards Decision the Mao and the Komi failed to disclose the "filtration a portion of said transport table sections in accordance with a mask which defines a filter function and a logic state of a not match bit to provide a compare result". The limitation incorporates in all the independent claims (1, 8).

In summary, the Examiner submits that Boards decision is noted as the Reasons for Allowance therefore (claims 1-14) have been deemed allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement for Reasons for Allowance"
